

Cable tray inside flip

Overview

Our elegant and stable cable tray FLIP is a simple solution for cable management at your high table. The FLIP cable tray discreetly and effortlessly hides FLIP cable clutter, keeping your desk clean, organized, and free. The hinged lid opens fully so you can add, remove, or rearrange with ease, only needing 7. 2" height clearance below the desk. Fits More Than You'd Expect: The 15. 9" metal under desk cable tray interior has enough room for a full-size power strip, adapters, and even small power supply. Keep your workspace neat and organised with our Under Desk Flip Down Cable Tray, a durable and stylish cable management solution for home and office setups. As the system moves, the trays unfold vertically, carrying the cables. In combination with our optionally available Slim cable chain.
