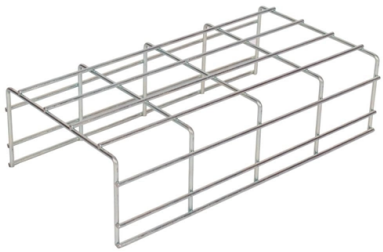
Cable tray manufacturer direct sales of large cables



Overview

Cable tray, Wireway Find your cable tray easily amongst the 87 products from the leading brands (Legrand, Black Box, OBO Bettermann.) on DirectIndustry.

Key Takeaways

Top manufacturers like Atkore, Chalfant Manufacturing, and Snake Tray offer direct sales of high-quality cable trays for industrial and commercial projects.

Leading Manufacturers and Suppliers

Atkore International: A global leader in cable management systems, offering a wide range of cable trays including ladder, perforated, and solid types. They provide direct sales and customized solutions for large-scale projects, with international shipping options. Chalfant Manufacturing: Specializes in innovative cable tray systems such as self-connecting GR_Magic and RKS-Magic lines, as well as walkable trays.

They offer tailored solutions and direct factory quotes for bulk orders. Snake Tray: Offers aluminum and steel cable trays with a focus on durability and versatility. Direct sales are available for industrial and commercial applications.

Sunil Engineering Corporation & ELCON CABLE TRAYS PVT. LTD.: Provide perforated, ladder, and wire mesh trays with accessories, emphasizing high-quality fabrication and custom solutions.

Perfect Precision Products LL

P & Shree Mahalaxmi Electrical: Offer GI, stainless steel, and aluminum trays in perforated, ladder, and solid configurations. They support bulk orders with direct factory quotes, customizable sizes, and compliance with IS 14927 and IEC 61537 standards. Trayco®: Known for cable trays with integrated ends, offering up to 50% extra capacity in certain applications.

They provide project-specific advice and direct quotes. Direct Channel: Supplies light, medium, and heavy-duty cable trays, basket trays, ladder racks, and accessories. They offer direct sales with pre-galvanized and hot-dipped galvanized finishes, suitable for complex industrial installations.

Key Considerations for Direct Purchase

Material & Type: Choose between galvanized steel, stainless steel, aluminum, or FRP based on environmental conditions and load requirements. Options include ladder, perforated, solid, and mesh trays. Customization: Many manufacturers provide bespoke sizing, bends, tees, and accessories to fit specific project layouts.

Compliance & Standards: Ensure trays meet relevant standards such as IS 14927, IEC 61537, or local building codes. Bulk Orders & Pricing: Direct factory sales often allow lower prices, extended warranties, and technical support for large-scale installations. Delivery & Support: Confirm shipping capabilities, lead times, and installation guidance for industrial or commercial projects.

By contacting these manufacturers directly, businesses can secure factory-direct quotes, technical specifications, and customized solutions for large-scale cable management projects.
