Jeetmull Jaichandlall (P) LtdSpecializes in stainless steel (SS) cable trays available in various sizes, shapes, and finishes. Offers tailored solutions for industrial applications and ensures adherence to industry standards. Contact: Reach out via email or phone to request pricing and product specifications.

Steps to Obtain a QuotationIdentify your requirements: Specify the type of cable tray (ladder, perforated, solid bottom, or SS), dimensions, material, and quantity. Contact suppliers: Use the provided phone numbers or online enquiry forms to request a quotation. Include project details for accurate pricing.

Request customization: If your project requires specific sizes, coatings, or load capacities, mention these to get a tailored quote. Compare offers: Evaluate quotations based on price, delivery time, product quality, and supplier reliability. Confirm order: Once satisfied, finalize the order and discuss shipping or on-site delivery options.

By contacting these suppliers directly, you can receive competitive quotations and customized cable tray solutions suitable for your project in Afghanistan.
