Czech Tray Cable Tray Manufacturer

Overview

Thanks to innovation and improved technology, we have evolved into a one-stop shop for Cable Tray manufacturers.

Key Takeaways

ARKYS and FEMI-CZ are leading Czech manufacturers of cable tray systems, offering wire mesh, metallic, and customized solutions for industrial and civil installations. Key ManufacturersARKYS ARKYS has been operating in the Czech market for over 25 years and is recognized as the largest manufacturer and supplier of wire mesh cable trays in the country. They specialize in producing high-quality trays suitable for various industrial and commercial applications, emphasizing durability and compliance with industry standards (arkys.cz).

FEMI-CZ FEMI-CZ focuses on metallic cable tray systems, including solid bottom, ladder, and mesh trays. They provide both standard products and customized solutions for large plants, industrial projects, and civil installations. Their offerings are designed for high load capacities, easy installation, and optimal cable ventilation, making them suitable for sectors like transport, energy, and oil & gas (femicz.it).

Other Notable Suppliers

Jeetmull Jaichandlall (P) Ltd. is listed among the top cable tray manufacturers in the Czech Republic, offering wire mesh trays in various sizes, shapes, and colors, with modern manufacturing facilities and strict quality control (wiremeshes.com). Brilltech Engineers Pvt. Ltd. provides durable cable trays made from galvanized steel, stainless steel, and fiberglass, emphasizing airflow, cable protection, and compliance with safety standards (cabletraymanufacturers.in).
