Dual-core pigtail supplier

Overview

At Agricom, we take pride in being a leading direct manufacturer, supplier and exporter of high-quality market products. When you partner with us, you can trust that every product meets the...

Key Takeaways

Dual-core fiber optic pigtails are available from multiple wholesale suppliers, offering multimode and single-mode options with LC, SC, ST, or FC connectors, suitable for LANs, data centers, and enterprise networks. Key Suppliers and Platforms1688 Platform Suppliers (China) Suppliers such as Anfulong Optical Fiber, Guangzhou Asia-Pacific Cable, Maimai (Shenzhen) International Technology, and Cixi Jiayuda Communication Equipment Co., Ltd. provide dual-core duplex pigtails in various lengths (3m to 20m) and fiber types (OM3, OM4, OS2). These products support LC/SC/FC interfaces, 10G multimode transmission, and are made with low-smoke halogen-free (LSZH) materials for safety.

Prices start as low as 1. 66 yuan per unit, with factory-direct supply and customization options for large projects. The Fiber Cable Offers multimode dual-core fiber optic pigtails with LSZH jackets, pre-terminated with SC, LC, ST, or FC connectors.

Compatible with OM2, OM3, and OM4 standards, these pigtails are factory-tested for low insertion loss and return loss, making them suitable for LANs, campus networks, and equipment room cabling.

Cable

Wholesale Stocks a wide selection of optic fiber pigtails and splice trays, including multimode and single-mode fibers. They provide bulk discounts, multiple connector types (ST, SC, LC), and various lengths for fast fiber termination and network deployment. Leviton Network Solutions Offers fiber optic pigtail kits for mechanical or fusion splicing, available in multimode and single-mode fibers with SC, ST, or LC connectors.

Options include premium low-insertion-loss pigtails and economy models with same-day shipping.

Europages B2

B Marketplace Lists multiple wholesale manufacturers and distributors of dual-core pigtails and related fiber optic products, allowing direct contact with suppliers for bulk orders and custom solutions. Considerations for Choosing a SupplierFiber Type: Ensure compatibility with your network (OM2/OM3/OM4 for multimode, OS2 for single-mode). Connector Type: LC, SC, ST, or FC depending on your equipment.

Length and Customization: Suppliers like 1688 offer flexible lengths and custom packaging. Safety Standards: LSZH jackets are recommended for indoor installations to reduce smoke and toxic gas in case of fire. Bulk Pricing and Reliability: Factory-direct suppliers often provide lower prices and verified quality, with high approval and repurchase rates reported by customers.

By selecting from these suppliers, you can source dual-core pigtails suitable for data centers, smart buildings, 5G base stations, and enterprise networks, with options for bulk purchasing, customization, and high-performance standards.
