Gyts 4-core optical cable price

Overview

4 Core Fiber Optic Cable for Telecommunication GYTSMain products are optical fiber cables, data cables, communications GYTS 4 Cores G.652D Zion Communicati.

Key Takeaways

The bulk price of GYTA 4-core optical fiber cables typically ranges from $0. 45 to $0. 59 per meter, depending on specifications and supplier options.

Pricing OverviewGYTA 4-core cables are aluminum-armored, stranded loose tube outdoor fiber optic cables suitable for duct, aerial, and direct burial installations. Standard bulk pricing for these cables generally falls between $0. 45 and $0.

59 per meter, with variations based on fiber type (e.g., G. 652D or G. 657A), sheath material (such as LSZH for fire safety), and order volume (Alibaba).

Supplier Options

Alibaba suppliers offer competitive bulk rates and customization options for outer sheath materials and fiber types.

Made-in-

China suppliers provide factory-direct options with free samples (excluding freight) and flexible payment terms, including 30% T/T in advance for orders over $1,000. Delivery times, shipping charges, and warranty (typically 12 months) vary by supplier, and many manufacturers allow production according to customer samples or technical drawings.
