

Huijue Fiber Optic Connector Manufacturer

Overview

Optical Fiber Connector Explore our Optical Fiber Connector collection, featuring main products like Optical Splitter, Fiber Patch Cord, and 695+ more item.

Key Takeaways

Huijue Network Communication Equipment Co., Ltd. is a leading Chinese manufacturer of fiber optic connectors, PLC splitters, and FTTH solutions with extensive production and R&D capabilities.

Company Overview

Huijue Network Communication Equipment, headquartered in Shanghai, China, was established in 2001-2002 and operates a production base in Jiangsu Province covering over 35,000 square meters. The company specializes in telecom and communication products, including optical fiber connectors, planar waveguide splitters, patch cords, MPOs, optical cable distribution cabinets, and data center solutions. Huijue serves major telecom operators such as China Mobile, China Telecom, and China Unicom, and exports products to regions including the USA, Europe, the Middle East, Southeast Asia, and Australia.

Product Range

Huijue manufactures a wide array of fiber optic components and solutions: Optical Fiber Connectors: High-performance connectors with low loss, good uniformity, and compact size.

PL

C Splitters: Planar waveguide splitters for FTTH applications.

Patch Cords and MP

Os: Customizable fiber optic cables for network integration. Telecom and Data Center Cabinets: Including ODFs, distribution boxes, and network cabinets.

Field Remote Jumpers and On-

Site Assembly Connectors: Designed for rapid deployment in FTTH networks.

Manufacturing and R&

D Capabilities

Huijue emphasizes high-efficiency production processes with proprietary automatic and semi-automatic equipment to ensure product consistency and reliability. The company holds over 50 ODN-related patents and operates R&D and technology centers in Shanghai, supporting innovation-driven solutions for smart network upgrades. Dual production bases in Shanghai and Nantong enable rapid response and emergency deliveries within 72 hours.

Quality and Certifications

Huijue maintains ISO 9001 and ISO 14001 certifications and ensures compliance with international standards such as GR-1209. Products undergo rigorous environmental adaptability testing under extreme conditions ranging from -40°C to 85°C. The company's strict quality control system guarantees reliable performance for both domestic and international clients.

Market Presence

Huijue products are widely used in FTTH deployments, 5G fronthaul networks, telecom, data centers, power, and new energy sectors. The company has successfully supplied over 2 billion ODN devices and continues to expand its global footprint, earning recognition for high-quality, cost-effective optical solutions. Huijue Network Communication Equipment Co., Ltd. is therefore a trusted manufacturer and solution provider for fiber optic connectors and related telecom infrastructure, offering comprehensive, one-stop services from design to production and deployment.
