

Huijue Fiber Optic Patch Cord Models and Specifications List

Overview

Fiber Optic Patch Cord – All Models Combined Fiber Optic Patch Cords are pre-terminated fiber optic cables used for equipment interconnection, test connect.

Key Takeaways

Huijue fiber optic patch cords are available in single-mode and multimode fibers, with multiple connector types, polishing options, and simplex/duplex configurations suitable for telecom, data centers, and LAN applications. Specifications

TableFeatureOptions / DetailsFiber TypeSingle-Mode: G652D, G657A; Multimode:

OM3, OM4Connector TypesFC, LC, SC, ST, MU, MTRJ, E2000, MTP/MPOP

Polishing TypeUPC (Ultra Physical Contact), APC (Angled Physical

Contact)ConfigurationSimplex, Duplex, Multi-fiber assembliesCable JacketPVC, LSZH,

OFNR, OFNP (depending on indoor/outdoor requirements)Insertion LossLow insertion loss (typically ≤ 0.3 dB for single-mode, ≤ 0.2 dB for multimode)Return LossHigh return loss (UPC ≥ 50 dB, APC ≥ 60 dB)ApplicationsFTTH, Data Centers, LAN, CATV, High-Speed Fiber NetworksLength OptionsCustomizable, standard lengths availableStandards ComplianceTIA 604 (FOCIS), IEC 61754, YD/T industry standardsSpecial FeaturesExcellent repeatability, high interchangeability, suitable for 40G/100G networksAdditional NotesHuijue patch cords are pre-terminated and tested for high performance and reliability in optical communication systems. Both single-mode and multimode fibers are supported, allowing flexibility for different network speeds and distances.

Connector and polishing options ensure compatibility with a wide range of equipment and minimize signal reflection. The cords are suitable for indoor and outdoor applications, with armored and non-armored options available for multimode OM4 fibers. Specifications may be updated for product improvements, so it is recommended to confirm details with Huijue sales or technical support before ordering.

This table provides a comprehensive overview of Huijue fiber optic patch cord models, helping users select the appropriate type for their network requirements.

Article Content

Fiber Optic Patch Cord – All Models Combined

Fiber Optic Patch Cords are pre-terminated fiber optic cables used for equipment interconnection, test connections, and link extensions in optical communication systems.

Fiber Optic Patch Cord

Explore our Fiber Optic Patch Cord collection, featuring main products like Optical Splitter, Fiber Patch Cord, and 695+ more items from Hai'an Huijue Network Communication Equipment Co., Ltd. on

Huijue Fiber Optic Patch Cord Technical Parameters

DESCRIPTIONS Fiber optic patch cord is also called fiber optic connector. It is dismountable, flexible and featured with small size, low insertion loss and lower price.

Optical Fiber Connector

Explore our Optical Fiber Connector collection, featuring main products like Optical Splitter, Fiber Patch Cord, and 695+ more items from Hai'an Huijue Network Communication Equipment Co., Ltd. on

Fiber Optic Equipment

China Fiber Optic Equipment catalog of LSZH LC/UPC Fiber Optic Easy Strip Ferrule Patch Cords, Waterproof SC/UPC 8 Cores Fiber Optical Patch Cord provided by China manufacturer - Shanghai

HJ-FOPC Fiber Optic Patch Cords

HJ provide high quality optical fiber patch cord, 100% tested quality guarantee before delivery, with ISO standards and RoHS compliant. Our product range covers both single mode and multi-mode

Telecom Cabinet Manufacturer, fiber optical patch cord, 12 core patch ...

Established in 2001, Shanghai Huijue Network Communication Equipment Co., Ltd (HJ Network for short) is the leading manufacturer and solution provider for telecom and communication products.

Fiber Optic Patch Cord Types

This post provides a introduction to fiber optic patch cord types, and several popular Gcabling optical patch cables.

All Kinds of Fiber Optic Patch Cords – SC, LC, FC, ST Explained

Learn about SC, LC, FC, and ST fiber optic patch cords, their uses in FTTH, telecom, and data centers, and how to choose the right type.

Fiber Optic Cable Assemblies | Fiber Patch Cords and Fiber Jumpers ...

Corning offers the most complete line of connectors and factory-terminated cables, from single-fiber patch cords to high-fiber-count assemblies.
