

# Manufacturers in the UAE and Belarus

## Overview

Detailed info on Manufacturing companies in United Arab Emirates, including financial statements, sales and marketing contacts, top competitors, and firmographic insights.

## Key Takeaways

The UAE hosts leading manufacturers in energy, electronics, medical supplies, and construction, while Belarus focuses on petrochemicals, machinery, and food products, with growing bilateral trade and investment ties.

## UAE Manufacturing Landscape

The UAE's manufacturing sector is diverse, with top companies by revenue including ENOC (\$16.4B), Alokozay Group (\$9.5B), and Boeing Middle East (\$6.6B) as of June 2026. Key manufacturers include: Fox EMS: Specializes in electronic products, offering full-cycle production from design to mass production.

## Premium Medical Supplies LL

C (PMS): Provides medical equipment, consumables, and hospital furniture for both government and private sectors.

## Johar Manufacturing Services LL

C (JMS): Focuses on oil and energy sector products, including pressure vessels and piping solutions. Industro Engineering: Offers on-demand contract manufacturing and precision engineering solutions through a network of ISO-certified partners. Vision Makers: Manufactures aluminum products for construction, including architectural cladding and structural elements.

These companies highlight the UAE's strengths in energy, electronics, healthcare, and construction materials.

### **Belarus Manufacturing and Trade**

Belarus has a strong industrial base in petrochemicals, trucks, machinery, and food products. In 2025, non-oil trade between the UAE and Belarus reached \$319. 5 million, reflecting a growing economic relationship.

Key sectors for collaboration include technology, education, healthcare, and business services. Belarus also hosts major industrial trade fairs like Belagro, which showcase agricultural and industrial products. UAE-Belarus Economic Cooperation Bilateral trade and investment have been steadily increasing: Trade turnover: From \$79.

9 million in 2021 to \$319. 5 million in 2025.

UA

E investments in Belarus: Accumulated Emirati investments exceed \$320 million, with direct investments of \$59. 4 million in 2021. Agreements: The Trade in Services and Investment Agreement (TISIA) signed in 2025 facilitates collaboration in multiple sectors.

Business forums: UAE-Belarus Trade Day and Belarus Business Forum promote partnerships and joint ventures. These developments indicate strong potential for UAE manufacturers to collaborate with Belarusian industries, particularly in technology, healthcare, and industrial equipment.

### **Summary**

#### **The UA**

E offers a modern, diversified manufacturing sector with companies excelling in energy, electronics, healthcare, and construction materials. Belarus provides industrial and agricultural manufacturing expertise, with growing trade and investment links to the UAE. Both countries are actively fostering bilateral cooperation, creating opportunities for joint ventures, technology transfer, and market expansion.
