## Key Takeaways

Papua New Guinea hosts several reputable cable tray manufacturers and suppliers, including Jeetmull Jaichandlall (P) Ltd., Brilltech Engineers Pvt. Ltd., Cable House, and Supermarket Track, offering high-quality, customizable cable tray solutions.

## Leading Cable Tray Companies

Jeetmull Jaichandlall (P) Ltd. is a trusted manufacturer providing cable trays in various sizes, shapes, and colors. Their products are designed for durability, impact resistance, and versatility across industries such as construction, mining, agriculture, and automotive. They operate a modern manufacturing facility and adhere strictly to industry standards, ensuring high-quality cable trays suitable for both security and ventilation applications.

Brilltech Engineers Pvt. Ltd. specializes in electrical cable trays that organize and protect wiring systems. They offer trays made from galvanized steel, stainless steel, and fiberglass, with perforated designs to enhance airflow and prevent overheating.

Brilltech provides installation support, system design assistance, and ensures compliance with safety and regulatory standards. Cable House, established in 1983, manufactures a wide range of cable management products, including cable trays, hose clamps, and crimping tools. They focus on customized solutions, high durability, and reliable performance, serving both national and international markets.

Supermarket Track offers modular and customizable cable trays fabricated from high-grade steel and other durable materials. They emphasize quality control, timely delivery, and client satisfaction, catering to commercial and industrial applications.

### **Product Types and Features**
