Overview

Shop through a wide selection of Complete track lighting kits at Amazon . Free shipping and free returns on Prime eligible items.

Key Takeaways

Cable tray track lights typically range from \$100 to \$600 or more, depending on the kit, brand, and included components.

Price Overview

Basic Cable Track Lighting Kits: Entry-level kits with a few track heads and short cable lengths generally start around \$100-\$200 on platforms like Amazon.

Mid-

Range Kits: More complete systems with multiple adjustable heads, pendants, and longer cable runs are priced between \$250-\$400.

High-

End or Designer Kits: Premium brands such as Tech Lighting or Lux Lighting offer advanced features like COB LED chips, dimming options, and high CRI (color rendering index), with prices ranging from \$400-\$600+ depending on the number of heads and track length.

Factors Affecting Price

Number of Track Heads and Pendants: More heads increase both functionality and cost.

LE

D Quality and Features: High CRI LEDs, zoomable heads, and dimming capabilities add to the price. Track Length and Customization: Longer tracks or custom layouts require more materials and can increase cost. Brand and Design: Designer brands or kits with premium finishes (matte black, nickel) are more expensive.

Buying Tips

Measure the ceiling space to determine the required track length before purchasing. Consider whether you need a complete kit or just individual track heads and accessories. Check for dimming compatibility if you plan to integrate with smart home systems or dimmer switches.

By comparing options on Amazon, Lumens, and Lux Lighting, you can find a cable track lighting system that fits both your budget and design needs.
