Price of long-life cable trays in Myanmar

Overview

Price List Cable Tray 2024 - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online.

Key Takeaways

The price of long-life cable trays in Myanmar varies widely depending on material, size, and customization, typically requiring direct supplier quotes for accurate pricing. Overview of Cable Trays in MyanmarLong-life cable trays are available in galvanized steel, stainless steel, and fiberglass, offering durability, corrosion resistance, and extended service life. They are used in industrial, commercial, and residential projects to organize and protect electrical cables, improve airflow, and reduce hazards.

Suppliers in Myanmar, such as Brilltech Engineers, Jeetmull Jaichandlall, and Micro Sheet Crafts, provide trays in various sizes, shapes, and configurations, often with perforated or ladder designs for ventilation and cable management.

Factors Affecting Price

Material: Stainless steel and fiberglass trays are generally more expensive than galvanized steel due to higher corrosion resistance and longevity. Size and Dimensions: Widths range from 50mm to 700mm, and thickness varies depending on load requirements. Larger or thicker trays cost more.

Customization: Custom colors, shapes, and modular designs can increase the price. Accessories: Connectors, joints, and earth links may add to the overall cost. Quantity and Supplier: Bulk orders often reduce per-unit cost, while premium suppliers may charge more for quality assurance and service.

How to Obtain Pricing

Since most suppliers in Myanmar do not list fixed prices online, the best approach is to request a quote. You can contact suppliers directly through their websites or sales teams to provide your project specifications, including: Tray material and finishDimensions and load requirementsQuantity neededAny special customization or accessories This ensures you receive an accurate, up-to-date price tailored to your project needs.

Recommended Suppliers

Brilltech Engineers Pvt. Ltd. – Offers galvanized steel, stainless steel, and fiberglass trays with installation support. Jeetmull Jaichandlall (P) Ltd. – Provides high-quality trays in various sizes and shapes, adhering to industry standards.

Micro Sheet Crafts – Supplies modular and customized cable trays with competitive pricing. Prabha Power – Known for long-lasting cable management solutions suitable for industrial projects. Contacting these suppliers directly will give you the most reliable pricing information for long-life cable trays in Myanmar.
