

Professional manufacturer of optical cable junction boxes

Overview

Find your fiber optic junction box easily amongst the 64 products from the leading brands (HS, LAPP, Cahors, ...) on DirectIndustry, the industry specialist for your professional purchases.

Key Takeaways

Leading manufacturers of optical cable junction boxes include Wuhan Putian Lianchuang, Zhejiang Junce Electric, Fibermint, Ningbo Prowell, and CCG, offering a range of splice closures, distribution boxes, and terminal boxes.

Top Chinese Manufacturers

China hosts several prominent manufacturers of optical cable junction boxes, often referred to as optical cable splice closures: Wuhan Putian Lianchuang Technology Co., Ltd. specializes in optical cable splice closures, surge protectors, and signal lightning arresters, providing integrated services for automation and weak current systems (Wuhan, China). Zhejiang Junce Electric Co., Ltd. offers distribution boxes, electrical instruments, and wire and cable solutions, with a focus on intelligent power transmission and control equipment (Zhejiang, China). Hebei Hanhao Pipeline Protection Equipment Co., Ltd., Shandong Luxintong Optoelectronics Technology Co., Ltd., and Ningbo Hongfu Communication Technology Co., Ltd. are also recognized for high-quality optical cable junction boxes and related fiber optic enclosures.

Specialized Fiber Optic Enclosure Manufacturers

Fibermint is a leading manufacturer of fiber optic splice closures, distribution boxes, and terminal boxes, offering OEM/ODM solutions, factory-direct pricing, and on-time delivery for fiber network projects. Ningbo Prowell Communication produces optical cable cross-connecting cabinets suitable for trunk-to-distribution cable connections, supporting both floor and aerial installations with integrated heat sealing and fiber management. Industrial and Hazardous Area Suppliers CCG manufactures a wide range of junction boxes and cable glands for industrial, marine, mining, and explosive atmospheres.

Their products are designed for durability, safety, and compliance with standards such as IEC 60079-14, making them suitable for challenging environments. Considerations for Choosing a Manufacturer When selecting a manufacturer, consider: Product range: Splice closures, distribution boxes, terminal boxes, and cross-connecting cabinets. Certifications and compliance: Ensure products meet local and international standards.

Customization: OEM/ODM capabilities for specific network requirements. Delivery and support: Factory-direct pricing, on-time delivery, and technical support. These manufacturers provide a comprehensive selection of optical cable junction boxes suitable for telecommunications, industrial, and specialized applications.

Fiber optic junction box, Fiber optic terminal box

Find your fiber optic junction box easily amongst the 64 products from the leading brands (HS, LAPP, Cahors, ...) on DirectIndustry, the industry specialist for your professional purchases.

Cable junction box, Cable terminal box

Find your cable junction box easily amongst the 90 products from the leading brands (Ebo Systems, TAKACHI, 4B Braime Components, ...) on DirectIndustry, the

Metal Fiber Optic Distribution Box

Why Bwnfiber Be Your Better Partner. Over 16 years of experience in designing, developing, and manufacturing various fiber optic equipment, equipped with

Our Products

We offer premium quality ABS Enclosures (Junction Boxes) that is manufactured from quality raw materials to ensure its durability and utility. We also meet customized requirement and offer our

Reliable Electrical Components for Advanced Technologies | TE

TE is a trusted manufacturer and supplier of reliable and rugged electronic components. Known worldwide for its broad portfolio of optimally engineered connectors and sensors, TE enables

Junction Boxes

The IndustryStock team will quickly find the most suitable manufacturers, distributors or service providers for your search query for Junction Boxes and quickly forward your message to these

EXbox® Fiber Optics

With the increasing digitization and requirement for high-speed networking, the Bartec Technor junction boxes for fiber optic signals performs dependably in the

Fiber Optic Distribution Boxes (FDB) & ODF Supplier

OTRANS is a leading fiber optic distribution box manufacturer. We offer a wide range of 1-24 core FDB boxes and ODF cabinets for indoor/outdoor FTTX

Fiber Splice Tray | Fiber Optic Termination Box | Telhua

Telhua offers a comprehensive range including 2 port fiber termination box models, underground fiber optic junction boxes for buried installations, and outdoor splice enclosures with IP65 protection.

INTOS ELECTRONIC AG -FTTH junction boxes

Fast and secure FTTH extension: Pre-terminated OS2 single-mode cable with 4x LC/APC 8° connectors for time-saving installations without splicing. Reliable signal quality: High-quality fiber optic
