SENTO

P focuses on durability, sealing, and efficiency, ensuring stable power distribution and electrical safety.

SELHO

T is a certified manufacturer (ISO9001, CE, RoHS, TUV) with over 20 years of R&D experience. They specialize in waterproof enclosures (IP65/IP66), impact-resistant and UV-stable boxes, and offer rapid sample and shipping times.

SELHO

T provides one-stop customization services including laser marking, precision drilling, and color matching, ideal for industrial, EV charging, solar, and smart home applications. J&HW Group, established in 1998 in Ningbo, China, is a global leader in distribution boxes and electrical equipment. They utilize advanced ERP, MES, and SAP systems for quality management and offer solutions for industrial automation, energy, transportation, and construction.

Their products are known for reliability and long-term performance.

ZCEBO

X produces low-voltage distribution boxes, junction boxes, MCBs, and consumer units with professional OEM/ODM services. They comply with ISO9001, CE, RoHS, IK, and HF standards, and have a global presence in over 100 countries.

ZCEBO

X emphasizes high-volume production, competitive pricing, and state-of-the-art manufacturing facilities.

Key Considerations

When selecting a manufacturer, consider: Certifications: ISO9001, CE, RoHS, TUV for quality and safety compliance. Customization: Ability to produce OEM/ODM solutions tailored to project requirements. Durability: IP65/IP66 waterproofing, impact resistance, and UV stability for industrial environments.

Lead Time: Manufacturers offering rapid prototyping and shipping can accelerate project timelines. Global Reach: Suppliers with international shipping and support ensure reliable delivery and service. These manufacturers provide robust, high-quality distribution boxes suitable for industrial, commercial, and residential applications, ensuring safety, efficiency, and long-term reliability.
