Reputable cable tray supplier in Saudi Arabia

Overview

In this article, we will explore the cable tray manufacturers in Saudi Arabia, their key offerings, and how they contribute to the Kingdom''s ever-expanding infrastructure.

Key Takeaways

Top cable tray suppliers in Saudi Arabia include Al-Fareed Stars, Ashoury Cable Tray, Adhwa Al-Rawafid Electric Industries, and Legrand Saudi Electric Industries, known for quality, durability, and wide product ranges. Leading SuppliersAl-Fareed Stars is highly regarded for its extensive range of cable trays suitable for commercial and industrial projects. Their products are durable, easy to install, and available in various sizes and materials, making them a popular choice across Saudi Arabia.

Ashoury Cable Tray specializes in both open and closed cable trays, offering solutions for sectors like oil and gas, power generation, and telecommunications. They focus on innovation, quality, and compliance with local and international standards.

Adhwa Al-

Rawafid Electric Industries, based in Dammam, has over 18 years of experience in manufacturing cable trays, fittings, and accessories. They provide corrosion-resistant hot-dipped galvanized trays and a wide range of accessories, certified under ISO 9001-2015, making them a reliable choice for industrial applications. Legrand Saudi Electric Industries (Seico), headquartered in Jeddah, offers cable trays, ladders, and support systems in pre-galvanized, aluminum, and hot-dip galvanized steel.

As part of the Legrand Group, they combine international expertise with local manufacturing.

Other Notable Suppliers

Power Solution Industries (PSI): Offers cable trays, trunking systems, and GRP solutions for construction, industrial, and oil & gas sectors. Mideast Cable Support Solutions: Provides a comprehensive range of cable management systems including trays, covers, and fittings. Khereiji Showrooms Co.

Ltd. (KSC): Local producer with TUV and Bureau Veritas certifications, supplying trays, trunking, and underfloor systems. Fas Al Jazeera United Factory Co.: Manufactures ladder systems, perforated trays, and strut channels locally in Dammam.

Choosing the Best Supplier

When selecting a supplier, consider: Material and durability: Hot-dip galvanized, aluminum, or composite trays for corrosion resistance. Product range: Availability of open, closed, perforated, and ladder trays. Certifications: ISO, TUV, or Bureau Veritas for quality assurance.

Project requirements: Industrial, commercial, or oil & gas applications may require specialized trays. Support and service: Availability of fittings, accessories, and technical support for installation. For large-scale or specialized projects, Adhwa Al-Rawafid Electric Industries and Legrand Seico are often preferred for their certified quality and comprehensive product lines, while Al-Fareed Stars and Ashoury Cable Tray are excellent for versatile and cost-effective solutions.
