

Rwanda Fireproof Cable Tray Manufacturer

Overview

We, one of the well-known Cable Trays Manufacturers in Rwanda, offer top-notch trays that keep your electrical system organized and protected.

Key Takeaways

Rwanda has several reputable manufacturers and suppliers of fireproof cable trays, including Brilltech Engineers Pvt. Ltd. and Cable House, offering certified, high-quality solutions for industrial and commercial applications.

Leading Manufacturers and Suppliers

Brilltech Engineers Pvt. Ltd. is a prominent cable tray manufacturer in Rwanda, providing a wide range of products including ladder cable trays, perforated cable trays, PVC trays, mild steel, and stainless steel options. Their trays are designed for durability, safety, and compliance with industry standards, and they offer customized solutions for residential, commercial, and industrial projects.

Cable House specializes in fireproof cable trays under the FireMaster® brand, which insulates instrument control cables to ensure safe operation during fires. Their products are certified for fire resistance (E30–E90), withstanding temperatures up to 1000°C for 90 minutes, making them suitable for critical facilities such as power plants, substations, and production facilities. Jeetmull Jaichandlall (P) Ltd. is another trusted supplier in Rwanda, offering cable trays made from sturdy wire mesh and metal, resistant to impact, deformation, and environmental hazards.

They provide a variety of sizes, shapes, and finishes, ensuring compatibility with different industrial requirements.

Key Features of Fireproof Cable Trays

Fire Resistance: Certified to withstand high temperatures and maintain cable integrity during fire events. **Material Quality:** Manufactured from galvanized steel, stainless steel, fiberglass, or other fire-resistant materials. **Durability:** Resistant to physical damage, corrosion, and environmental factors.

Safety and Compliance: Adheres to stringent industry standards for electrical safety and fire protection. **Custom Solutions:** Available in perforated, ladder, PVC, and raceway designs to optimize airflow, cooling, and cable management.

Applications

Fireproof cable trays in Rwanda are widely used in: Industrial plants and factories, Power generation and substations, Commercial buildings and data centers, Residential complexes requiring enhanced fire safety. For procurement, manufacturers like Brilltech Engineers Pvt. Ltd., Cable House, and Jeetmull Jaichandlall (P) Ltd. provide both local supply and export services, along with technical support for installation and system design. Choosing certified fireproof cable trays ensures enhanced safety, regulatory compliance, and long-term protection for electrical systems in Rwanda.
