Singapore Laser Diode Distributor

Overview

Laser Diodes – Mouser SingaporeMouser is an authorized distributor for many laser diode manufacturers including ams Osram, KYOCERA AVX, ROHM Semiconductor.

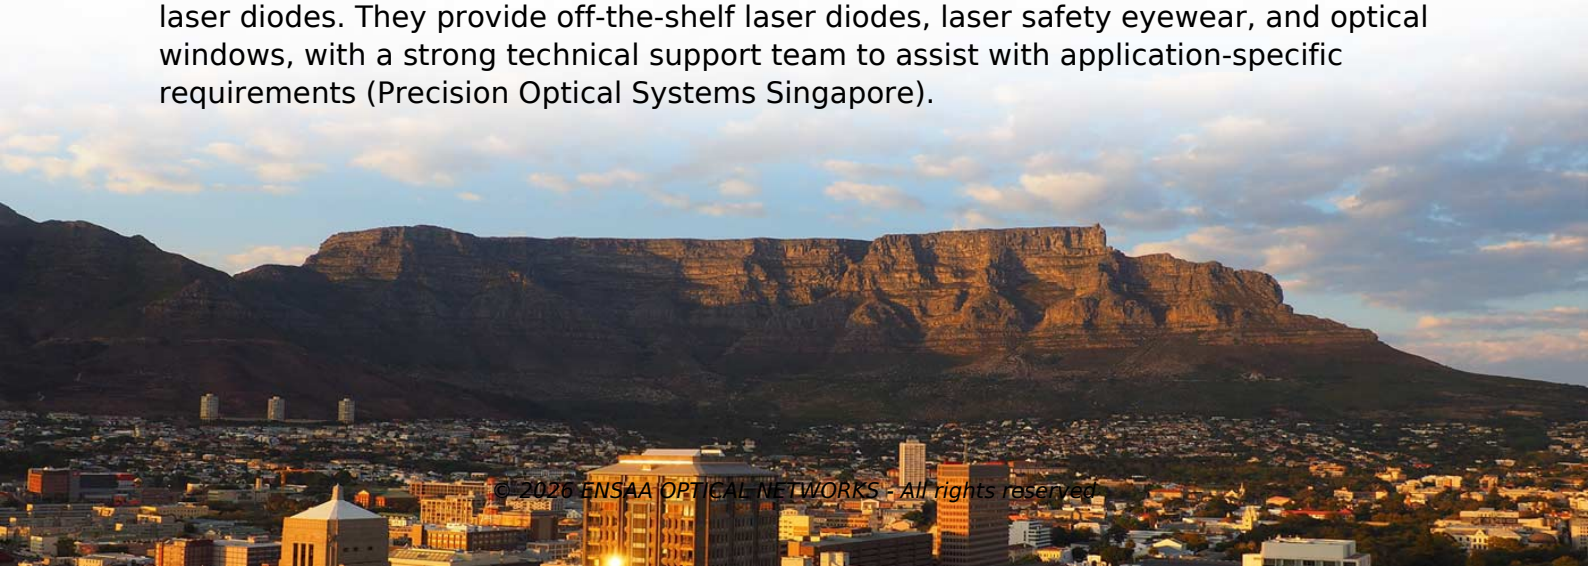

Key Takeaways

Key laser diode distributors in Singapore include Sintec Optronics, Mouser Singapore, Precision Optical Systems, LD-PD PTE. LTD., and element14 Singapore.

Leading Distributors

Sintec Optronics Pte Ltd is a Singapore-based supplier offering a wide range of photonics products, including diode lasers, DFB diodes, superluminescent diodes, and diode pump laser modules. They provide both OEM and end-user solutions, along with laser parts, optical components, and laser machines, making them a comprehensive source for laser systems and accessories (Sintec Optronics Pte Ltd). Mouser Singapore is an authorized distributor for major laser diode manufacturers such as ams Osram, KYOCERA AVX, and ROHM Semiconductor.

They offer a large selection of laser diodes with datasheets, inventory, and pricing information, suitable for engineers and research applications (Mouser Singapore). Precision Optical Systems Singapore Pte Ltd (POSS) specializes in precision optics and laser diodes. They provide off-the-shelf laser diodes, laser safety eyewear, and optical windows, with a strong technical support team to assist with application-specific requirements (Precision Optical Systems Singapore).

LD-PD PTE. LTD. offers a variety of laser diodes including single heterojunction (SH), double heterojunction (DH), and quantum well (QW) types. They also supply specialized products like VCSEL, DFB, FP diodes, and optical fiber sensing components, catering to both research and industrial applications (LD-PD PTE.

LTD.). element14 Singapore stocks a wide range of laser diodes from top manufacturers including AMS Osram, Rohm, Laser Components, and TT Electronics. They provide fast quotes, same-day dispatch, technical support, and datasheets, making them suitable for rapid prototyping and production needs (element14 Singapore). Considerations for Choosing a DistributorProduct Range: Ensure the distributor carries the specific type of laser diode required (e.g., DFB, VCSEL, QW).

Technical Support: Look for distributors offering datasheets, application guidance, and engineering support. Delivery and Inventory: Check for local stock availability and shipping options to minimize lead times. Pricing and Bulk Orders: Compare unit prices and discounts for larger quantities.

These distributors collectively cover a broad spectrum of laser diode types, technical support, and delivery options, making Singapore a well-served market for photonics and laser applications.

Laser Diodes – Mouser Singapore

Mouser is an authorized distributor for many laser diode manufacturers including ams Osram, KYOCERA AVX, ROHM Semiconductor & more. Please view our large selection of laser diodes below.

Newest Laser Diodes – Mouser Singapore

Laser Diodes are available at Mouser Electronics. Mouser offers inventory, pricing, & datasheets for Laser Diodes.

Precision Optical Systems Singapore Pte Ltd

Not only are we able to provide Laser Optics, application, we are also able to to collaborate with our partners to offer off-the-shelf Laser Diodes, Laser Safety eyewear and windows.

Laser Manufacturer & Supplier in Singapore

We are a leading company in Singapore to provide quality laser systems & optical components and excellent services at attractive prices. We always try our best to

Laser Sources-Sintec Optronics Pte Ltd-One-stop Shop for Optics,

© 2026 ENSAA OPTICAL NETWORKS - All rights reserved

We specialize in lasers, optics and laser machines: CO2 lasers, fiber lasers, DPSS lasers, diode lasers, fs/ps lasers, microchip lasers, red/blue/green lasers, single-frequency lasers, and superluminescent

LD-PD PTE. LTD. | Laser Diodes | Photodetectors | Fiber Components ...

LD-PD PTE. LTD., a trusted industry leader, specializing in designing and manufacturing high-power, high-reliability laser diodes, photo detectors, and related driving products.

Laser Diodes | element14 Singapore

Find a huge range of Laser Diodes at element14 Singapore. We stock a large selection of Laser Diodes, including new and most popular products from the world''s top manufacturers including: AMS Osram

micro optics, micro-nano optics, DOE, metalens, laser, optics, laser ...

We, Sintec Optronics Pte Ltd, are a Singapore-based supplier of a wide range of photonics products (lasers, optical components, laser parts and relevant accessories). We provide various high-quality

Diode Lasers Suppliers in Singapore, Singapore

Locate Diode Lasers suppliers, manufacturers & distributors in Singapore, Singapore. Interactive map of Singapore, Singapore provided.

PRODUCTS-Sintec Optronics Pte Ltd-One-stop Shop

Sintec Optronics is specialized in laser, optics & laser machines - CO2 laser, fiber laser, DPSS laser, diode laser, fs & ps lasers, microchip laser, red and blue ...

Laser 21 Pte Ltd – Distributor of Industrial Lasers, Photonics, Ultra ...

Founded since 2000, Laser 21 is a Singapore-based distributor and supplier of lasers, photonics, ultra precision, optical metrology, motion control and imaging systems for commercial, industrial and

Top Laser Manufacturing Companies in Singapore

Information about Laser Manufacturing in Singapore When exploring the Laser Manufacturing industry in Singapore, several key considerations come into play. First, understanding the regulatory landscape

Laser Diode Manufacturers

The leading Laser Diode Manufacturers in Singapore are listed in this directory. You can narrow down the list of manufacturers based on their location and capabilities, browse their product catalogs, view
