Small network cabinet cabling price

Overview

Per-unit ranges commonly include $2. 50 per linear foot of cable for basic runs, $150–$350 per access point, and $600–$1,500 per switch depending on port count and PoE needs. These figures assume standard residential or small-business environments and exclude major. Professional network cabling cost in 2026 usually depends more on access, scope, testing, and handoff requirements than on the cable price itself. As a planning range checked June 22, 2026, many straightforward commercial Cat6 jobs land around $150-$250 per grouped drop, harder Cat6A commercial.
