

Source of EU cable trays

Overview

Top Cable Tray Manufacturers Worldwide: A Discover leading cable tray manufacturers worldwide, including top companies in Europe, South America, North Amer.

Key Takeaways

Cable trays in the EU are primarily manufactured in Germany, Belgium, France, and Italy by leading companies such as Niedax, Trayco, Legrand, and Spina Group.

Key EU Manufacturers and Locations

Germany: The Niedax Group is a major manufacturer, producing a wide range of cable trays and support systems for construction, energy, and transportation sectors.

Deutenberg Drahttechnik Gmb

H, located in North Rhine-Westphalia, specializes in wire-based products including wire mesh trays.

OB

O Bettermann also manufactures metal cable trays and trunking systems in Germany. Belgium: Trayco produces 100% Belgian cable trays, mesh trays, and ladders, focusing on both manufacturing and installation consulting. France: Legrand, through its Cablofil brand, manufactures wire mesh trays and other cable management systems, widely used in industrial and commercial projects.

Italy: Spina Group specializes in ladder and perforated trays for heavy-duty applications, including shipbuilding and industrial plants.

Manufacturing Standards and Compliance

European cable tray manufacturers adhere to EN 61537 and ISO 9001 standards, ensuring quality, safety, and compatibility across industrial and infrastructure projects. Many also follow IEC standards for global compatibility.

Additional Notes

While some companies like Emit Metal operate in Turkey, they are outside the EU but still supply European markets.

The E

U market emphasizes sustainability, product longevity, and ease of installation, making these manufacturers suitable for complex industrial and infrastructure projects. In summary, Germany, Belgium, France, and Italy are the primary EU hubs for cable tray manufacturing, with several leading companies offering a variety of tray types including ladder, perforated, and wire mesh systems.
