

Swedish steel ladder-type cable tray manufacturer direct sales price

Overview

Price List Cable Tray 2024 - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online.

Key Takeaways

Steel ladder-type cable trays in Sweden are available from manufacturers like Ahlsell, Metsec, and Brilltech Engineers, with direct sales prices provided upon request.

Key Manufacturers and Suppliers

Ahlsell: Offers Sendzimir galvanized steel cable ladders with perforated rungs, standard lengths of 3 m or 6 m, and suitable for industrial, office, and school environments. Accessories such as spacers, angle brackets, and T-screws are available for installation flexibility. Metsec (voestalpine): Provides a full range of cable ladder systems from light-duty 50 mm deep ladders to extra heavy-duty 150 mm deep ladders, with widths up to 900 mm.

Materials include mild steel hot-dip galvanized, pre-galvanized, or stainless steel (316L). Metsec offers a complete system with accessories, splice plates, and CAD design support. Brilltech Engineers: Listed as a Swedish supplier and exporter of ladder cable trays.

Direct contact is required to discuss specifications and obtain a quote.

Product Features

Material: Hot-dip galvanized steel, pre-galvanized steel, or stainless steel for corrosion resistance. **Design:** Ladder-type with cross-members for heavy power cables, perforated rungs for ventilation, and easy cable access. **Standards:** Conforms to BS EN 61537 and DIN EN 61537 for cable management systems.

Lengths and Sizes: Standard lengths typically 3 m or 6 m; widths and depths vary depending on load requirements.

Pricing and Procurement

Direct Sales: Prices are not publicly listed online. Manufacturers like Ahlsell, Metsec, and Brilltech Engineers require customers to contact sales teams directly to obtain quotes based on material, size, load capacity, and order quantity. **Ordering Process:** Typically involves specifying ladder dimensions, material type, finish, and any required accessories.

CA

D drawings and design support may be provided for large or custom orders.

Recommendation

For accurate pricing and availability, contact the sales departments of the manufacturers directly: Ahlsell: Visit their online store or nearest shop to request a quote. Metsec: Email or call for made-to-order lengths, rung configurations, and pricing. Brilltech Engineers: Contact via phone or email to discuss specifications and receive a direct sales quote.

This approach ensures you receive customized pricing based on your project requirements and the specific ladder-type cable tray configuration.
