

Tajikistan Mesh Cable Tray Models

Overview

Looking to buy a Cable Tray in Tajikistan? Jeetmull Jaichandlall (P) Ltd. is one of the trustworthy Cable Tray Manufacturers in Tajikistan that is here to fulfill all your wire mesh and netting tools needs.

Key Takeaways

High-quality wire mesh cable trays in Tajikistan are available in customizable sizes, durable materials like stainless steel and galvanized steel, and meet international standards for industrial and commercial applications.

Material and Construction

Wire mesh cable trays are typically made from sturdy metal wires woven or welded together, providing high resistance to impact, deformation, and environmental hazards (). Common materials include stainless steel (SS202, SS304, SS316) and galvanized steel, ensuring durability and corrosion resistance (). Some suppliers also offer fiberglass trays for lightweight and non-conductive applications ().

Dimensions and Customization

Widths: 50mm to 600mm Heights: 50mm or 100mm Lengths: 1m to 2.5m, with custom lengths available Bends and connectors: Flexible on-site bending and accessories for easy installation () These trays can be tailored to specific project requirements, including industrial, warehouse, and infrastructure applications (). Performance and Standards High-quality mesh cable trays in Tajikistan are designed to: Support heavy cable loads with thick, well-spaced wires Enhance airflow to prevent overheating Protect cables from dust, physical damage, and environmental hazards Optimize space and improve cable management efficiency () Many trays comply with international IEC 61537 standards and come with full test certification, ensuring safety and regulatory compliance ().

Installation and Accessories

Easy installation: Modular design with supports, bends, and connectors Maintenance-friendly: Open mesh design allows visual inspection and cable access Custom solutions: Suppliers provide engineering support for system design and installation guidance () Leading Suppliers in Tajikistan Jeetmull Jaichandlall (P) Ltd.: Offers a wide range of sizes, shapes, and colors with advanced manufacturing technology () Brilltech Engineers Pvt. Ltd.: Provides galvanized steel, stainless steel, and fiberglass trays with expert installation support () Patil More Exports: Specializes in export-ready, fully certified trays with customizable dimensions () Cable House: Offers tailor-made solutions with high durability and reliable performance () These suppliers ensure high-quality mesh cable trays suitable for industrial, commercial, and infrastructure projects in Tajikistan, with options for customization, certification, and full technical support.
