Interkabel Kyiv Interkabel Kyiv is a leading manufacturer of fire-resistant and armored cables, and while primarily focused on cables, they also provide installation solutions compatible with cable trays. Their products meet international standards (GOST, IEC, VDE, DBN, DSTU) and are used in industrial, infrastructural, and construction projects across Europe and CIS countries. 4.

B2

B and Online Suppliers Platforms like Alibaba and Europages list Ukrainian cable tray manufacturers offering durable, easy-to-install systems suitable for commercial and industrial applications. These suppliers provide a variety of materials including stainless steel, galvanized steel, PVC, and aluminum.

Considerations for Selection

Material and Coating: Choose between hot-dip galvanized, pre-galvanized, stainless steel, or PVC-coated trays depending on environmental conditions. Load Capacity: Ladder trays and heavy-duty systems are suitable for vertical or high-load installations. Compliance: Ensure products meet international standards for safety and durability.

Installation Ease: Systems with bolt-free or click-in covers simplify assembly and maintenance. These Ukrainian companies provide comprehensive solutions for cable management, supporting both domestic and international projects with certified, durable, and versatile cable tray systems.
